Le Guin.-1st ed. p. cm. Contents: The finder-Darkrose and Diamond-The bones of the earth-Everyone thought the moptops were the coolest thing ever--ever but to Junior, their music was just all right. Seventy-two yet as spry as a monkey, Sparky didn't walk so much as scamper like a capuchin..The front door was unlocked. This was no longer one house; it had been converted to an apartment building..A few attractive women were here alone, proof that social mores had changed dramatically in three years. Junior was aware of their hot gazes, their need, and he knew that he could have any of them..The house was empty, silent. Hanna worked only days. Nellie Oatis, Perri's companion, was not employed here anymore..Previously, Miss Pixie Lee had been from Texas, but Angel had recently heard that Georgia was famous for its peaches, which at once captured her imagination. The three went inside in no particular rush, and judging by their demeanor, Junior decided that they hadn't spotted him, after all..About ten feet from the trunk of the oak, Barty departed his straight route and began to circle the tree..Junior knew that he looked as guilty as any man had ever looked this side of the first apple and the perfect garden. The sweating,

the spasms of violent tremors, the defensive note that he could not keep out of his voice, the inability to look anyone directly in the eyes for more than a few seconds-all were telltales that none of these professionals would overlook. He desperately needed to get a grip on himself, but he couldn't find a handle.. "No. Rowena dropped those names after the twins' first year. She and I were the only ones who ever used them. Our private little joke. Even the boys wouldn't have remembered." To the window in the driver's door, Barty came with a repertoire of comic expressions, mugging at his mother, sticking one finger up his nose and exaggeratedly boring with it as though exploring for nasal nuggets. "Not scary, Mommy!". Junior found the acclaim gratifying, but the widespread use of his photograph was a high price to pay even for the recognition of his contribution to art. Fortunately, with his bald head and pocked face, he no longer resembled the Enoch Cain for whom the authorities were searching. And they believed that the bandages on his face, at the church, had been merely an exotic disguise. One psychologist even speculated that the bandages had been an expression of the guilt and shame he felt on a subconscious level. Yeah, right.
