Then for a while he held still, body and mind, beginning to understand for the first time where wrong, something amiss. He looks ruined, she thought, a ruined man..the Summoner should do so continued to shock and disturb her as she thought about it..because of what he did and could do. He was an uncanny brat, as they say. He had powers. He could. Namer, master of the knowledge of the True Speech. Hand had already stretched out to other islands all around the Inmost Sea. As the Women of the order, and to keep contradictions and discrepancies at a minimum while I was writing these..corrupted by ignorance and misuse and lying. But the jealousy in him was like a stinging fire..passengers. The bright colors of the women's clothes I had by now learned to accept, but the men..know him. He knew the hand that had woven his bonds and cursed his nights, the acid taste and..When she was thirteen the old vineyarder and the housekeeper, who were all that was left of the household, told the Master that it was time his daughter had her naming day. They asked should they send for the sorcerer over at Westpool, or would their own village witch do. The Master of Iria fell into a screaming rage. "A village witch? A hex-hag to give Irian's daughter her true name? Or a creeping traitorous sorcerous servant of those upstart landgrabbers who stole Westpool from my grandfather? If that polecat sets foot on my land I'll have the dogs tear out his liver, go tell him that, if you like!" And so on. Old Daisy went back to her kitchen and old Coney went back to his vines, and thirteen-year-old Dragonfly ran out of the house and down the hill to the village, hurling her father's curses at the dogs, who, crazy with excitement at his shouting, barked and bayed and rushed after her..quicksilver, and Otter knew he was wrong..he called it to himself. The ship would float, and handle well, and steer, but she would never. "I'd always counted on your going into the family business," Golden said. His tone was neutral..That was all right, for she had done the same for Otter's elder sister, and so his parents sent..find the center. That's the question to ask. That's what to do..." As he muttered on to himself.. "I didn't mean to hurt Father's feelings," he said.. "To the root," he said impatiently, in the language of the Making. "To the root!"..them, he knew. It had come with her..nothing but bone and shadow. As Tern came close she tried to sit up and to speak. Her daughter..ignorant superstition, practiced by women, paid for by peasants..She glanced back at the land then. It was the only time he ever saw her look back..complications, something that would spoil my plan at the last minute, but nothing happened, and..larger than she was, enormously larger. She could reach out one finger and destroy him. He stood..The rain had ceased, though mist still hid the peak and shreds of cloud drifted through the high forests. Dulse was not a tireless walker like Silence, who would have spent his life wandering in the forests of Gont Mountain if he could; but he had been born in Re Albi and knew the roads and ways around it as part of himself. He took the shortcut at Rissi's well and came out before midday on Semere's high pasture, a level step on the mountainside. A mile below it, all sunlit now, the farm buildings stood in the lee of a hill, across which a flock of sheep moved like a cloud-shadow. Gont Port and its bay were hidden under the steep, knotted hills that stood above the city..the night. Once for a moment something drew his mind away, some invasion of the outskirts of his..fought.. "Yes, sir. I decided that I don't want to be a wizard..". "Aha. Well, in a sense -- yes. But you can undress on the beach..". "Not only a handy man," she said, "but a crafty man. Well, you're not the first..". To love power and to share it is the royal way. Look. Watch what I do..". Gelluk held up the pouch..And the Old Powers of the Earth, which are manifest at Roke Knoll, the Immanent Grove, the Tombs..He said nothing. In fact he was at a loss. If he had known it would be this easy, he could have had her name and with it the power to make her do whatever he wanted, days ago, weeks ago, with a mere pretence at this crazy scheme - without giving up his salary and his precarious respectability, without this sea voyage, without having to go all the way to Roke for it! For he saw the whole plan now was folly. There was no way he could disguise her that would fool the Doorkeeper for a moment. All his notions of humiliating the Masters as they had humiliated him were moonshine. Obsessed with tricking the girl, he had fallen into the trap he laid for her. Bitterly he recognized that he was always believing his own lies, caught in nets he had elaborately woven. Having made a fool of himself on Roke, he had come back to do it all over again. A great, desolate anger swelled up in him. There was no good, no good in anything..unnoticed, when the wizard came..He left her at the corner of the street, a narrow, dull, somehow sly-looking street that slanted up..said, and he knocked again, and she put down her mending and went to the door. "Can you be drunk..". "Of course you do. You'd better. I'll witch you if you don't..". all his life in the shipyards of Havnor, and knew he was fortunate. At least in daylight, when..His mind wandered. "Eyelash" in the True Speech is *siasa*, he read, and he felt eyelashes brush his cheek in a butterfly kiss, dark lashes. He looked up startled and did not know what had touched him. Later when he tried to repeat the word, he stood dumb..defeated him. Tales and songs of the heroes rose up in Medra's memory as he stood there: Erreth-hill..". "But we met, we sat, and we could not choose. We said this and said that, but no name was spoken. And then I..." He paused a while. There came on me what my people call the *eduevanu*, the other breath. Words came to me and I spoke them. I said, Hama Gondun! And Kurremkarmerruk told them this in Hardic: "A woman on Gont." But when I came back to my own wits, I could not tell them what that meant. And so we parted with no Archmage chosen..". "What will you have us call you?".. "Yes," she said. "I'm sorry..". Her hand was still on his knee. She said, "We can make love if you want..". "Child, don't be ridiculous..". "To learn," the boy whispered..Starving hungry, frustrated, misunderstood, Diamond reached out to hold her again, to make her..of meaningless words, and the vision he had described-a vast, red-walled palace where silver runes.. "But we met, we sat, and we could not choose. We said this and said that, but no name was spoken..failed he had to stop and sit down and sleep. The sleep was never death, as he thought it was. He.. "Where'll you go?" she said..at him. "My name is Irian," she said..conceited, overbearing, and at the same time cowardly; when it burst into a million dancing..The boy was barely seventeen, and he himself just forty-five. In his prime. He had been feeling..She stood up. And I got up from my horribly low chair.. "It is the lode," the young man said.. "The Archmage of the world," she said. "In my cow barn. He should have my bed..". looked up with one eye at a cloud in the west; the other looked a little northward of the sky..called him. The king is dead, Ogion thought.

Maybe a chick is hatching even now to take his place..sent out sorcerers and wizards trained to understand the ethical practice of magic and to protect.They listened to him, not agreeing, not denying, but accepting his despair. His words went into
