Alone with Agnes, the physician said, "I want you to take Barty to a specialist in Newport Beach. Franklin Chan. He's a wonderful ophthalmologist and ophthalmological surgeon, and right now we don't have anyone like that here in town." He was uncomfortable, achy, thirsty, but he remained utterly still and observant. After a while, he realized that the sense of oppression with which he'd awakened was not entirely a psychological symptom: Something heavy lay across his abdomen. And it was cold-so cold, in fact, that it had numbed his middle to the extent that he hadn't immediately felt the chill of it. Shivers coursed through him. He clenched his jaws to prevent his teeth from chattering and thereby alerting the man in the chair. Although he never took his eyes off the corner, Junior became preoccupied with trying to puzzle out what was draped across his midsection. The mysterious observer made him sufficiently nervous that he couldn't order his thoughts as well as usual, and the effort to prevent the shivers from shaking a sound out of him only further interfered with his ability to reason. The longer that he was unable to identify the frigid object, the more alarmed he became. He almost cried out when into his mind oozed an image of Naomi's dead body, now past the whitest shade of pale, as gray as the faint light at the window and turning pale green in a few places, and cold, all the heat of life gone from her flesh, which was not yet simmering with any of the heat of decomposition that would soon enliven it again..Standard decks of playing cards are machine packed, always in the same order, according to suits. You can absolutely count on the fact that each deck you open will be assembled in precisely the same order as every other deck you have ever opened or ever will open.."Well, it's true," he said, finally turning the key in the proper direction and firing up the engine..The guy was carrying a purse, whatever that meant, and when he walked through the door, he had a goofy look on his face, but his expression changed when he saw Junior..This didn't seem strange to him. Among the many things that no longer mattered were the concepts of distance and time..Not once did he look back to see if the fire had grown visible as a glow against the night sky. The events at Victoria's were part of the past. He was finished with all that. Junior was a forward-thinking, future-oriented man.."Not so bad, two thousand," Tom heard himself say idiotically. "I mean, compared to nearly four million."..As Wally followed them inside, Celestina grinned at him. "From the car to the living room, all as neat as a well-practiced ballet. We've got a big headstart on this married thing."..As if vengeful spirits weren't trouble enough, he had for three years been struggling unwittingly against the terrible power of the minister's curse, black Baptist voodoo that made his life miserable. He knew now why he had been plagued by violent nervous emesis, by epic diarrhea, by hideously disfiguring hives. The failure to find a heart mate, the humiliation with Renee Vivi, the two nasty cases of gonorrhea, the disastrous meditative catatonia, the inability to learn French and German, his loneliness, his emptiness, his thwarted attempts to find and kill the bastard boy born of Phimie's womb: All these things and more, much more, were the hateful consequences of the vicious, vindictive voodoo of that hypocritical Christian. As a highly self-improved, fully evolved, committed man who was comfortable with his raw instincts, Junior should be sailing through life on calm seas, under perpetually sunny skies, with his sails always full of wind, but instead he was constantly cruelly battered and storm-tossed through an unrelenting night, not because of any shortcomings of mind or heart, or character, but because of black magic..Although he considered tearing up the letter and throwing it away he knew that his perceptions were clouded by grief and that what he'd written might seem fine if he reviewed it in a less dark state of mind. He returned the letter to the envelope and put it in the drawer of his nightstand..He paused, giving them a chance to ask the obvious question-and then smiled at their reticence..By his twelfth month, he was toilet-trained, and every time that he had the need to use his colorful little bathroom chair, he proudly and repeatedly announced to everyone, "Barty potty."..Nevertheless, Junior was thrilled to hear the name Bartholomew, and to know that the boy of whom Celestina spoke was the Bartholomew of Bartholomews, the menacing presence in his unremembered dream, the threat to his fortune and future that must be eliminated..WHEN A GLASS OF chilled apple juice at dawn stayed on his stomach, Junior Cain was allowed a second glass, though he was admonished He was also given three saltines.."Good day, sir," Lipscomb said, closing the door in Neddy's face, possibly, compressing his nose and bruising his boutonniere..In the first two weeks, when she wasn't on pie caravans, Agnes received guests in numbers that taxed her. But there were so many people she wanted to see one last time. She fought hard, giving the disease all the what-for that she could, and she held fast to hope, but she received the visitors nonetheless, just in case..He was Father Tom again, having recommitted to his vows three years previous. At his request, the Church had assigned him as the chaplain of Pie Lady Services.."And there's more," said Vinnie Lincoln, as round as Santa Claus and cherry-cheeked with pleasure at being able to bear these gifts. "The policy contained a double-indemnity clause in the event of death by accident. The complete tax-free payout is one and a half million."..We cherish the old stories for their changelessness. Arthur dreams eternally in Avalon. Bilbo can go "there and back again," and "there" is always the beloved familiar Shire. Don Quixote sets out forever to kill a windmill... So people turn to the realms of fantasy for stability, ancient truths, immutable simplicities..squint-eyed, sharp-faced night clerk must not have been the owner, because he wasn't the type to have dreamed up cute spellings for the sign out front. Judging by his appearance and attitude, he was a former Nazi death-camp commandant who fled Brazil one step ahead of the Israeli secret service and was now hiding out in Oregon..Earlier in the week, Junior had looked up Thomas Vanadium in the telephone directory. He expected the number to be unlisted, but it was published. What he wanted more than a number was an address, and he found that as well..He tried to lean back as he dropped, with the hope that he would fall under her, providing cushion if they met with sidewalk instead of lawn..on both sides of the property, the neighbors can't see, but some know, have always known, and have less interest.About ten feet from the trunk of the oak, Barty departed his straight route and began to circle the tree..The paramedic, fingers pressed to the radial artery in Junior's right wrist, must have felt a rocket-quick acceleration in his pulse rate..Copyright (c) 2001 by Ursula K. writing from the publisher..Tucking the covers around Angel, Celestina said, "Would you like Uncle Wally to be your daddy?" "That would be the best." "I think so, too." "I never had a daddy, you know." "Getting Wally was worth the wait, huh?" "Will we move in with Uncle Wally?" "That's the way it usually works." "Will Mrs. Ornwail leave?" "All that stuff will need to be worked out." "If she leaves, you'll have to make the cheese." Zedd endorses self-pity, but only if you learn to use it as a springboard to anger, because anger-like hatred--can be a healthy emotion when properly channeled. Anger can motivate you to heights of achievement you otherwise would never know, even just the simple furious determination to prove wrong the bastards who mocked you, to rub their faces in the fact of your success. Anger and hatred have driven all great political leaders, from Hider to Stalin to Mao, who wrote their names indelibly across the face of history, and who were--each, in his own way--eaten with self-pity when young..He woke several times that night, instantly alert for a ghostly serenade, but he heard no otherworldly crooning..During the following ten days, he withdrew money from several accounts. He converted selected paper assets into cash, as well..In the physician's eyes, a yearning to believe. In his face, a squint of skepticism..Junior was impressed and delighted by her clever assumption of it strictly professional voice and demeanor, which convincingly masked her intense desire. Sweet Victoria was a worthy coconspirator..A moment later, in the corridor, as Nolly locked the door to his suite, Kathleen linked her right arm through Vanadium's left. "Do I call you Detective Vanadium, Brother, or Father?". Bartholomew was dead but didn't know it yet. Pistol in hand, cocoon in tatters, ready to spread his butterfly wings, Junior pushed the door to the apartment inward, saw a deserted living room, softly lighted and pleasantly furnished, and was about to step across the threshold when the street door opened and into the hall came Ichabod..were a favorite pair when he was puttering around the house on weekends. "Oh," he said, "that dog."..he wasn't wholly without feeling, of course. A poignant current of sadness eddied in his heart, a sadness at the thought of the love and the happiness that he and the nurse might have known together. But it was her choice, after all, to play the tease and to deal with him so cruelly..Grace, Celestina, and Paul expressed amusement and amazement at Angel's critical judgment.. "Then I'll attend to everything right away," the doctor said, reaching for the privacy curtain that surrounded the ER bed..Agnes knew now why this prognostication had dismayed rather charmed her: If you dared to believe in the good fortune predicted he cards, then you were obliged to believe in the bad, as well..Looking toward the nearest window, where the wet night kissed the glass, he said, "Lawn sprinklers?". If killing the wrong Bartholomew had broken a dam in Junior and released a lake of tension, whacking the right Bartholomew would set loose an ocean of pent-up stress, and he would feel free as he'd not felt since the fire tower. Freer than he'd been in his entire life..He placed a phone call to Kaitlin Hackachak, his trollish and avaricious sister-in-law, asking her to dispose of Naomi's things, their furniture, and whatever of his own possessions he chose to leave behind. Although she had been awarded a quarter of a million dollars in the family settlement with the state and county, Kaitlin would be at the house by dawn's first light if she thought she might make ten bucks from liquidating its contents..Mary had a yellow vinyl ball of the type Koko would happily chase all day and, if allowed, chew all night, keeping the house awake with its squeaking. "Want this?" she asked Koko. Koko wanted it, of course, needed it, absolutely had to have it, and leaped into action as Mary pretended to throw the ball..Downstairs again, as Agnes reached the foot of the stairs, she began to worry that she had done too thorough a job on the khakis and that the extent of the damage would raise suspicions..As if he'd been presented with many previous photos under these circumstances, Jonas Salk accepted the picture. "Your daughter?". They would have given him an antinausea medication. It most likely wasn't going to work quickly enough to save him.. "I'll come by at eight o'clock for breakfast," Wally suggested. "We have to set a date."..On the drive home, Junior dropped the knife down a storm drain in Larkspur. He tossed the gloves in a Dumpster in Corte Madera..Slowly rotating his raised hands before his eyes, as if he saw them young and supple-fingered, the magician described the amazing manipulations that a master card mechanic could perform. Though he spoke without flash or filigree, he made these feats of skill sound more sorcerous than hares from hats, doves from scarves, and blondes bisected by buzz saws..Angel, however, focused on a point in the air above the table. Faint furrows marked her brow for a moment, but then the frown gave way to a smile..Junior intended to add one stocky ghost to the party. Perhaps on a summer night in years to come, at the edge of the light fall from his Coleman lantern, a fisherman would see a semitransparent Vanadium providing entertainment with an ethereal quarter.. "Well, Uncle Jacob doesn't understand kids. Anyway, this is pretty good stuff." "Maybe it's not where the heart is," Wally corrected himself. "Maybe it's where the buffalo roam."..According to the brief biographic note with the picture, Celestina White was a graduate of San Francisco's Academy of Art College. She had been born and raised in Spruce Hills, Oregon, the daughter of a minister..Junior tossed garments on the floor and across the bed to create the impression that the detective had packed with haste. After being imprudent enough to blast Victoria Bressler five times with his service revolver--perhaps in a jealous rage, or perhaps because he had gone nuts--Vanadium would have been frantic to flee justice..He couldn't easily refuse the assignment. Later that year, President Lyndon Johnson, with strong backing from both the Democratic and the Republican Parties, was expected to sign the Civil Rights Act of 1964, and currently it was dangerous for clearheaded believers in the primacy of self to express their healthy instincts, which might be mistakenly perceived as racial prejudice. He could be fired..STILL WEARING HIS white pharmacy smock over a white shirt and black slacks, striding purposefully along the streets of Bright Beach, under a malignant-gray twilight sky worthy of a Weird Tales cover, with ominous accompanying rhythm provided by wind-clattered palm fronds overhead, Paul Damascus headed home for the day..Beyond the window, behind veils of rain and fog, the metropolis appeared to be more enigmatic than Stonehenge, as unknowable as any city in our dreams..Anyway, if Celestina escaped, there would be a witness, and it wouldn't matter to a jury that she was a talentless bitch who painted kitsch. She would have seen Junior get out of the Mercedes and would be able to provide at least a half-accurate description of the car in spite of the fog. He still hoped to pull this off without having to give up his good life on Russian Hill..Aftermath was not important. Only movement mattered. Just forget the busload of nuns smashed on the tracks, and stay with the onrushing train. Keep moving, looking forward, always forward..After Maria, Bonita, and Francesca had gone, when Agnes and her brothers joined forces to clear the table and wash the dishes, Barty kissed them good-night and retired to his room with The Star Beast..Once satiated, what she desired was a reason to deceive herself into believing that she was not a slut, that she was a victim. She didn't really want to tell anyone what he had done to her. Instead, she was asking him, indirectly but indisputably, to provide her with an excuse to keep their passionate encounter secret, an excuse that would also allow her to continue to pretend that she had not begged for everything he'd done to her..would allow herself to feel the loss, the misery against which she was now armored. Phimie deserved dignity in this final..The maniac detective was still on the floor where he had died. The red rose and the gift box occupied his hands..Taking no chances, Junior swung the candlestick again,

bending down as he did so. The second impact was not as solid as the first, a glancing blow, but effective..The busboy swept the empty appetizer plates away as the waiter arrived simultaneously with small salads. Fresh martinis followed..If the wife killer had cut himself accidentally, his writing on the wall indicated a hair-trigger temper and a deep reservoir of long-nurtured anger..Looking from one to another..of his companions, Tom said, "When I think of everything that had to happen to bring us here tonight, the tragedies as well as the happy turns of fortune, when I think of the many ways things might have been, with all of us scattered and some of us never having met, I know we belong here, for we've arrived against all odds." His gaze traveled back to Agnes, and he gave her the answer that he knew she hoped to hear. "This boy and this girl were born to meet, for reasons only time will reveal, and all of us ... we're the instruments of some strange destiny."..One detail. One only. It was a crucial detail, however, one that she absolutely must confirm before she left St. Mary's, even if she would be required to look at the child once more, this spawn of violence, this killer of her sister..As they dropped toward the surgical floor, the solemn sister said, "Another hypertensive crisis.."In addition," Daines said, "her pelvis is small, which would present problems of delivery even in an ordinary pregnancy. And the muscle fibers in the central canal of her cervix, which ought to be softening in anticipation of labor, are still tough. I don't believe the cervix will dilate well enough to facilitate birth."..No longer pinned to the bed by an intravenous feed of fluids and medications, provided with pajamas and a thin cotton robe to replace his backless gown, Junior was encouraged to test his legs and get some."All right," Celestina said, "yes, of course." She could see no harm in humoring Phimie. "Angel. Angel White. Now, you calm down, you relax, don't stress yourself."..was trying her best to ensure the health of the baby while still remaining slim enough to avoid suspicion..Everyone agreed, and the order was placed when their waiter brought appetizers: crab cakes for Nolly, scampi for Kathleen, and calamari for Tom..Police identified Junior as the prime suspect, and newspapers featured his photograph in most stories. They referred to him as "handsome," "dashing," "a man with movie-star good looks." He was said to be well known in San Francisco's avant-garde arts community. He got a thrill when he discovered that Sklent was quoted as calling him "a charismatic figure, a deep thinker, a man -with exquisite artistic taste so clever he could get away with murder as easily as anyone else might get away with double-parking." "It's people like him," Sklent continued, "who confirm the view of the world that informs my painting.".. "I wish my Rico could have met your Harrison, too," Maria told Grace, referring to the husband who had abandoned her. "Maybe the reverend could've done with words what I couldn't do with my foot in Rico's trasero."..because even to cry in pain will invite more vicious discipline than the pummeling he's already endured. His father..Jacob made more fire sounds as he stripped the clear cellophane off a second new deck of playing cards, then off a third and a fourth..His inner turmoil boiled ever more fiercely, and the external evidence of it grew more obvious. In the cool air of the fading afternoon, he perspired as profusely as a man already being strapped into an electric chair; it streamed, gushed. He shook, shook, and he was half convinced that he could hear his bones rattling together like the shells of hard-boiled eggs in a rolling cook pot..The room was bright enough for him to confirm that he was alone. The interior of the box in which Naomi now resided could be no more silent than this house..Gore made him sick. He refused to attend movies that dwelt on the consequences of violence, and he had even less of a stomach for blood in real life..Outside, he discovered that some worthless criminal wretch had broken into his Suburban during the night. The suitcase and Book-of-the-Month selections were gone. The creep even swiped the Kleenex, the chewing gum, and the breath mints from the glove compartment..He jammed the 9-mm pistol under his belt, grabbed Ichabod by the feet, and dragged him quickly toward the door to Apartment 1. Smears of blood brightened the pale limestone floor in the wake of the body..Junior flung back the covers and came to his feet, but his knees proved weak, and he sat at once on the edge of the bed..Late Thursday, following a nine-hour session with Hisscus, Nork, and Knacker, Magusson--negotiating in conjunction with the Hackachak counsel--had indeed reached acceptable terms. Kaitlin Hackachak would receive \$250,000 for the loss of her sister. Sheena and Rudy would receive \$900,000 to compensate them for their severe emotional pain and suffering; this allowed them to undergo a lot of therapy in Las Vegas. Junior would receive \$4,250,000. Magusson's fee was twenty percent prior to trial--forty percent if a settlement had been reached after the start of court proceedings--which left Junior with \$3,400,000. All payments to plaintiffs were net of taxes..From the floor, Junior snatched up the bottle of wine that had twice failed to shatter. His lucky Merlot..As always in uncertainty, she asked herself what her mother would do in this situation. Grace, of infinite grace, unflinchingly did precisely the needed thing, knew exactly the right words to console, to enlighten, to charm a smile out of even the miserable. Often, however, the needed thing involved no words, because in our journey we so often feel abandoned, and we need only to be reassured that we are not alone..FOR JUNIOR CAIN, the Year of the Horse (1966) and the Year of the Sheep (1967) offered many opportunities for personal growth and self-improvement. Even if by Christmas Eve, '67, Junior would not be able to take a dry walk in the rain, this nevertheless was a period of great achievement and much pleasure for him.."And after Phimie was gone ... he still hoped to learn the rapist's name, put him in prison. But then something changed his mind ... oh, maybe two years ago. Suddenly, he wanted to let it go, leave judgment to God. He said if the rapist was as twisted as Phimie claimed, then Angel and I might be in danger if we ever learned a name and went to the police. Don't stir a hornet's nest, let sleeping dogs be, and all that. I don't know what changed his mind."..Celestina looked out a kitchen window and saw Agnes in the Lampion driveway, where the three-vehicle caravan was assembled. She was loading her station wagon..As impressed as Agnes had been with the sample orbs that she'd been shown, she allowed no hope that the singular beauty of Barty's striated emerald-sapphire eyes would be re-created. Although the artist's work might be exquisite, these irises would be painted by human hands, not by God's..Knuckle over knuckle, snared in the web of thumb and forefinger, vanishing into the purse of the palm, secretly traversing the hand, reappearing, knuckle over knuckle, the coin glimmered as it turned.
